Badges for additional sales representatives may be purchased in advance or onsite for regular registration rates. All of your representatives may attend sessions on Friday and Saturday. Assignment of Exhibit Space

Every effort will be made to assign the exhibitor the first choice of locations or as near the first choice as possible. However, AAPB reserves the right to assign space, reassign booths and/or redesign the exhibit area as may be necessary for any reason bearing on the best interests of the meeting. AAPB reserves the right to refuse or restrict space for any reason.

Exhibit Hours and Installation

The Association reserves the right to make schedule changes of the Exhibit hours at its discretion. Exhibit space will not be released to the exhibitor until all conditions, as set forth in these rules, are met. All exhibits must be fully operational by 4:00 pm, Thursday, May 14, 2026.

Exhibitor Code of Conduct

- **Booth Presentation:** Maintain a clean, neat, and professional booth space.
- **Marketing and Promotion:**
 - You may distribute promotional materials from your designated booth space or individually by request. You may not hand out materials in educational sessions or generally in common areas.
 - **Disruptive or aggressive marketing tactics will not be tolerated.**
 - Marketing materials must be truthful and accurate, with no exaggerated or misleading claims.
- **Respectful Conduct:** Be courteous, respectful, and professional in all interactions. Refrain from any form of aggression, harassment, or discriminatory language or behavior. **Never leave your booth space for the purpose of attracting attendees to your booth.** Do not impede conference attendees' movement, including by placing yourself deliberately within their path.
- **Attendance:** Exhibit hall access is limited to registered exhibitors and conference attendees. Exhibitor representatives must remain in their assigned booth and are not admitted for the purpose of viewing other exhibits, except by invitation of other exhibitors.
 - Badges must be worn at all times. Unbadged individuals may be asked for ID. Booth personnel changes require approval from the Meeting Manager.
 - Exhibitor badges are issued only in the exhibiting company's name. Misuse (e.g., false certification, sharing badges, or aiding unauthorized access) may result in expulsion, loss of exhibit privileges, or booth removal without refund or other obligation by AAPB.

EXHIBITOR RULES & REGULATIONS

- **Exhibitor Activities:** All exhibitor activities directed toward AAPB registrants must remain within the exhibitor's booth. Exhibitors are responsible for any fees related to copyrighted music or other copyrighted material. Displays or advertising in hotel rooms require prior written approval from the Meeting Manager.
- **Consequences for Violation:** Violators will be initially warned for all but the most egregious infractions (at conference organizers' discretion). Additional consequences may include loss of booth location for future shows, or even immediate removal and expulsion from the event. No refunds will be available in these circumstances.

Disclosure

The following information will be printed in the onsite program:

1. Some of the products exhibited here may not be proven effective for the suggested applications. All claims should be considered carefully.
2. Some of the equipment being exhibited may not have been registered by the FDA or declared safe and effective.

Hotel Use

AAPB reserves the right to control suite reservations and meeting space at the hotel. No exhibitor will be allowed access to a hotel suite to circumvent the AAPB Exhibits or Meeting. No social functions may be scheduled during the AAPB Meeting events. If space is needed, you must submit the request to AAPB for approval.

Exhibit Design/Construction Requirements

Exhibitor identification in all AAPB publications and on all signs and booth graphics must be the one company name submitted on the Application for Exhibit Space. Overstatement in the design is to be avoided and attention-getting devices such as balloons, flashing signs or lights are prohibited. Exhibits must render a safe assembly during installation, dismantling and exhibition periods. Materials used in the exhibit area must be flame retardant in accordance with the City Fire Ordinances. Electrical equipment and display components must conform to the City Electrical Code. No part of any exhibit may be suspended from or attached to any part of the exposition facility.

To maintain uniformity and to prevent obstruction of the view of adjoining booths, displays must not be higher than 8' in the back and 3' high along dividers and aisles. No walls, partitions, decorations, or any other obstructions may be erected that in any way interfere with the view of any other exhibit. Exhibitors desiring to use other than standard booth equipment or any signs, decorations, or arrangements of display materials conflicting in any way with these above regulations must submit a detailed sketch or a proposed layout at least six weeks prior to the opening of the exhibit and must receive written approval from the Meeting Manager.

Guest Badges

Guest badges are available on a limited basis for a reduced fee and approved on an individual basis. Prices are determined based on the length and timing of guest access. Contact meeting organizers for more information. Guest badges are not to be used by exhibit booth sales personnel. Misuse of the exhibitor guest badge system may result in the expulsion of the exhibitor and the guest from the exhibit hall and is considered a violation of the AAPB Rules and Regulations.

EXHIBITOR RULES & REGULATIONS

Subleasing of exhibit space is strictly prohibited, nor may two companies share the same leased space including companies who purchase multiple booths. Each exhibiting company is required to complete an application to exhibit. Squatters are strictly prohibited in the AAPB Exhibit Hall. Press Conferences

Press conferences by exhibitors on the exhibit floor during exhibit hours are prohibited. All news conferences must be coordinated with the AAPB staff.

Entertainment or Social Functions

No entertainment or social functions may be scheduled to conflict with the official AAPB program, scientific or technical exhibit hours. Requests for use of function space at the facility must be made in writing to AAPB. Upon receipt of a request for function space, AAPB will notify you if space is available and if any space rental fees are required. It is the responsibility of the exhibitor to finalize arrangements with the hotel. For additional information please contact the Meeting Manager.

Dismantling/Removal of Exhibits

Each exhibitor will complete arrangements for removal of material from the Exhibit Area in accordance with these rules and the instructions provided in the Exhibitor Service Kit. No packing or dismantling of exhibits will be allowed until the official closing of the exhibit hall at 4:00 pm on Saturday, May 16, 2026. All exhibit material must be packed and ready for shipment by 7:00 pm, or the time listed in the Exhibitor Package, if different. All space occupied by an exhibitor must be surrendered in the same condition as at the commencement of occupation. **AAPB bears no responsibility for materials that are not packed and labeled appropriately and on time for shipment.**

All exhibitors wishing to cancel their exhibit space must do so in writing prior to April 6, 2026, and will receive a full refund minus a \$200 processing fee. No refunds will be granted after April 6, 2026. If the meeting/exhibits should be cancelled due to circumstances beyond the control of AAPB or the hotel, all payments connected with the booth rental will be refunded.

Security

Each exhibitor is responsible for safeguarding its goods, materials, equipment and exhibit at all times. The facility will be locked during non-exhibiting hours, but neither the facility nor AAPB will be responsible for loss of or damage to any property.

The exhibitor, upon contracting to exhibit, agrees to protect, indemnify, defend and hold harmless AAPB and its officers, directors, employees, committee members and agents, from any and all claims, losses, damages, injury or expenses arising out of or caused by exhibitors' installation, removal, maintenance, occupancy or the use of the exhibition premises or a part thereof or other activities or functions of the exhibitors.

The exhibitor acknowledges that it is responsible for obtaining insurance coverage in such amounts as it deems appropriate to comply with its obligations herein and for its own protection. AAPB will not be responsible for delays, damage, loss or other unfavorable conditions caused by circumstances beyond its control.

Under government order or emergency, or other fair reasons beyond its control, AAPB reserves the right to cancel the show with no further liability to the exhibitor other than full refund of space rental payments made. AAPB reserves the right to change the location of the exhibition in the event of a strike, fire, or other circumstances should render unusable the hall in which the exhibition has been scheduled or any other meeting facility.

Interpretation and Enforcement

These regulations become a part of the contract between the exhibitor and AAPB. AAPB has full power of interpretation and enforcement of these rules and its decision is final. All matters in question not covered by these rules are subject to the decision of AAPB and all decisions so made shall be binding on all parties. Those who fail to observe these conditions in this contract or, in the opinion of AAPB, conduct themselves unethically, may be dismissed from the exhibition without refund or other appeal.

Violations and Penalties

Upon evidence of substantial violation, AAPB may take possession of the space occupied by the exhibitor and remove all persons and goods. The exhibitor shall forfeit to AAPB all monies paid or due and shall pay all expenses and damages that AAPB may incur through the enforcement of this rule.
